Dear YPSA families:

Happy New Year!

It's that time of the year to start making plans for the 2023-24 school year. A very important part of this plan is to collect a completed intent to return form from every scholar. The information will be used to determine the number of available spots in each classroom for new scholars.

Attached is the school's intent to return form. Our goal is to get 100% response from all families. Please help by completing this form, and having it returned to your scholar's teacher by Thursday, January 26<sup>th</sup>. We can do this!

Thank you in advance for your time and support to achieving a 100% completion rate.

Sincerely,

Angela Rojo, Attendance Clerk

**VISION STATEMENT**

Our vision is to develop lifelong scholars and LIFESKILLED leaders, enabling them to be productive, responsible, and contributing members of society.
